 rukonuzzamantopu@gmail.com  +8801330885039  Topu  Rukonuzzaman Topu

## Skills

- **Languages:** Phyton, C/ C++,Java,Javascript,Html,Css,Tailwind, SQL
- **Tools:** VS Code, Git, GitHub
- **Problem Solving:** Solved 100+ programming problems across platforms such as Codeforces, CodeChef, and HackerRank.

## Education

### Green University of Bangladesh

*Expected Graduation: 2027*

Bachelor of Science in Computer Science and Engineering

Relevant Coursework: Structured Programming, Object Oriented Programming, Digital Logic Design, Data Structures, Database, Algorithms, Computer Architecture, Differential Equations and Coordinate Geometry, Probability and Statistics for Computing, Linear Algebra and Vector Analysis, Discrete Mathematics

### Notre Dame College Mymensingh

*Graduation: 2021*

CGPA-5.00

## Career Objective

To build a career in Data Science and AI, with a strong interest in working at Neuralink, contributing to innovative projects that connect technology with human intelligence.

## Projects

### Coffee Shop website

*2025*

A fully responsive Coffee Shop website built with HTML, CSS, and JavaScript. Features animations, form validation, accessibility enhancements, and cookie functionality to store user preferences.

### Path Finding Navigation System

*2024*

This project implements and visualizes pathfinding algorithms (Dijkstra, A\*, BFS, DFS) in a grid-based environment. Users can interact with the map by setting start, finish, walls, and obstacles, and choose the best algorithm to find a path through the grid.

## Certifications

- Emerging Young Team **IDPC 2024**
- 8Th Position **IDPC 2025**

## Soft Skills

- Strong analytical and logical thinking
- Good communication and teamwork
